

APPROVED APPLICATORS

All approved applicators have undertaken specialised training by ProPERLA in order to fully understand the highly technical properties of the exterior coatings and the correct procedures for pre-application and application.

By choosing an approved applicator, you are ensuring optimum performance of the ProPERLA exterior coating and the manufacturer's guarantee is safeguarded.

Please note that any company that is not listed as one of our approved applicators, you are not eligible for ProPERLA manufacturer guarantees and any guarantees issued by any company that is not listed as one of our approved applicators will be void. For more information please contact us by emailing info@properla.co.uk or calling **0161 763 7074**.
